(In duplicate).

Sir,

Buildings - Taluk Office, Karkal -Electrification and other repairs- Plan and estimate-Sanction - Request -

---

At the instance of the Tahsildar,Karkal the Executive Engineer,(P.W.D.)South Kanara has sent plan and estimate for Rs975/- for providing electrification to the Taluk Office, Karkal. During rain season when there is strong wind and heavy rain, great inconvenience is being experienced by the Office staff for want of sufficient light, as the door and windows will have to be closed to prevent rain-water getting in. Consequently there will not be sufficient light inside the office even during day time to enable the staff to work without lamp etc. The electrification of Taluk Office building is therefore absolutely necessary from administrative point of view.

2. The Clerks in the Taluk Office, Karkal will have to sit very late in the evening to finish their day's work particularly during the Kist Season and Jamabandy and the Sub-Treasury has often to be kept open till late in the evening particularly when there are heavy remittances of land revenue or when stamps have to be issued. In the interest of efficiency it is desirable that the Taluk Office building should be provided with electric fittings. In this connection kind attention is invited to para 4 of G.O.No.2408 Revenue Department dated 3-8-55.

3

-2-

3. In the light of Instructions contained in G.O. Ms.No. 2401 P.W.D. Dated 23-6-55 communicated with Board's L.Dis.E.6337/55. Dated 16-/7/55, the proposal has been scrutinized carefully and I am of opinion that it is very urgent and essential. The Government may therefore be pleased to accord sanction for the electrification of the Taluk Office building Karkal.

4. A plan and estimate for Rs 975/- sent by the Executive Engineer, (P.W.D.) South Kanara are submitted for perusal and return.

Yours faithfully,

14-11-55.

For Collector, S.K.

From the Bd. of Rev. Ref. E. 10252/55-1 dated 18.11.55

To AS.

para 2, p 1 of

. The Bd. of Rev. has recommended that administrative approval may be accorded for the estimate for Rs 975/- for the ~~electrification of~~ wiring, electric fittings & the Taluk Office building at Karkal. The Collector has stated that during rainy season where there is ~~strong~~ wind and heavy rain, great ~~inconvenience~~ inconvenience is being experienced by the staff for want of sufficient light, as the doors and windows have to be closed to prevent ~~raising~~ rain water getting in. It is also stated that the clerks ~~will~~ have to sit late ~~very~~ late in the evenings to finish their day's work particularly during the kist season and the Jamabandy and the sub treasury has often to be kept open till late in the evening particularly when there are heavy remittances of land revenue when stamps have to be issued. ~~The Collr. has~~ For these reasons, the Collr. considers that the electrification of the Taluk Office is absolutely necessary and he is of opinion that the work is very urgent and essential. Apparently the Bd. agrees with him. The Govt.

working Rev alone may be pursued. In view of the prevailing financial stringency and the need to set up austerity standards, the present policy of Govt is to accord sanction only to such electrification schemes as are immediately and imperatively essential for carrying on the administration. For the reasons given in paragraphs 1 and 2 of the Collector's letter, the Board of Rev has recommended the proposal, considering it urgent and essential. Cost involved also is not much (Rs 975/-). Hence this dept need not object. Revenue may be requested to circulate the case to M (W) also.

The case may be passed on to Finance.
